## Wine Bottle Peppermill

Surprise your dinner guests with this unique peppermill. As they reach for the bottle expecting to find more wine, they find themselves with a peppermill in their hand. The mill is life-size, so you can hardly tell the difference between it and a real bottle of wine. Comes with a ceramic grinding mechanism to eliminate the metallic taste you get from a metal mechanism. Another ingenious design from Mobi!

- A realistic looking bottle of wine that is a peppermill
- Ceramic grinding mechanism
- Easy to fill
- A great conversation piece

Item #	Description	Unit	Case Pack	Dimensions (inches)	Weight
21-007-0013	Wine Bottle Peppermill	1	6-Units	18 x 6 x 12	9.0 lbs

## Handy™ Salt 'n Pepper Mill

Wave if you want more salt... Done! "Thumbs Up" if you want more pepper... Done!

This articulated hand grinder is sure to be a conversation piece at your dining table. Stands 13" tall, available in a right hand or left hand for salt or pepper.

Own one or both hands and never ask to pass the salt again... just "talk to the hand".

- Solid beechwood for long-lasting construction
- Ceramic grinder crushes the spices without leaving a metallic taste behind
- Articulated hand for a great conversation piece

# GRATERS & PEELERS

## Titanium Coated Graters

New!

Mobi Titanium Coated Graters are next generation tools. The titanium coating gives you an extra coating of “slipperiness” so the food glides over the grating surface without sticking or skipping.

The coating also makes the grating surface “harder” which allows it to keep the sharp edge longer. Last but not least, the graters come with an easy on/easy off cover for storage safety.

- Titanium coating allows for an extra hard grating surface
- Extra smoothness so that food glides over it without sticking and skipping
- Safety cover for storage

All Mobi Titanium Coated Graters feature easy on/off safety covers for storage safety.

Item #	Description	Unit	Case Pack	Dimensions (inches)	Weight
12-002-0022	Titanium Coated Rasp	1	12-Units	12 x 12 x 2.5	3.0 lbs
12-003-0022	Titanium Coated Wide Grater - Coarse	1	12-Units	12 x 12 x 2.5	3.0 lbs
12-004-0022	Titanium Coated Wide Grater - Ultra Coarse	1	12-Units	12 x 12 x 2.5	3.0 lbs

## Mobi Peelers

### Straight Peeler Serrated

Cut through tomato skin like no one's business.

All Mobi Peelers feature easy on/off safety covers and stainless steel potato eye scoops.

### Y Peeler Serrated

Mobi chooses to employ a serrated blade since a serrated blade can do everything a straight blade can do.

### Y Peeler Julienne

Makes garnishing for a salad and Asian stir-fry's a simple task.

## Shake 'n Peel™ Garlic Skin Remover

No more smelly hands or a mess on the kitchen counter. With the Mobi Shake 'n Peel, just separate the cloves from the whole bulb. Toss the unpeeled cloves into the bowl. Cover the bowl with the other half and shake for 10-15 seconds. The result is peeled garlic cloves with little or no effort.

- Peels up to 6-7 large cloves of garlic at a time
- Stainless bowls will not absorb smells, but will get rid of garlic smells from your hands by rubbing on the bowl under cold running water
- Thoughtful design allows bowls to nest for convenient storage
- Unique shape can be used as molds for desserts or small cakes

Item #	Description	Unit	Case Pack	Dimensions (inches)	Weight

## Mobi Cool Touch Oven Gloves

### Oven Mitts with “Grabbing Power”!

Whether you’re baking your family’s favorite desserts or grilling that ribeye steak in the backyard, the Mobi Cool Touch gloves are perfect for the job.

Using high-performance polyethylene and other heat resistant materials, the Mobi Cool Touch gloves are heat protected up to 600°F (315°C).

Mobi Cool Touch gloves protect hands from hot wire grates and unexpected BBQ flare-ups. And, the 5-finger design is proven to have more dexterity than the ordinary oven “mitt”, where you can’t feel anything.

- Oven “mitts” are clumsy, but oven “gloves” have great dexterity.
- Allows you to grab your cooking utensils that you can’t do with a “mitt”.
- Safe to use up to 600°F (315°C).
- Silicone “snowflakes” on the palm create a non-slip surface to prevent things slipping out of your hand.
- “Short-cuff” design for easy on-off convenience.
